13th Annual EPA Region 6 MS4 Operators Conference
San Antonio, Texas July 5-8, 2011
"NEW" Grand Hyatt Hotel-downtown (on the River)

CALL FOR PRESENTATIONS

You are invited to submit a presentation proposal for the 13th Annual MS4 Operators Conference to be held July 5-8, 2011, in San Antonio, Texas. By participating as a presenter, you can help us achieve our goal of providing an exceptional conference that both informs, and educates operators of small and large MS4s about state and federal regulations aimed at reducing the sources of stormwater pollution discharged into surface waters from municipal drainage systems.

Proposal Topics

- Presentation should support one or more of the following conference topics:
- LID/ Sustainable Development/Green Infrastructure
- Watershed Management
- TMDL's/MS4 Permitting
- Effluent Limit Guidelines
- Storm Water Management (e.g. Pharmaceuticals, Pesticides)
- BMP Technology
- Public Education & Involvement
- Enforcement and Legal

Proposal Criteria

Presentations are selected based on the following criteria:

- Thoroughness of the subject matter and proposal
- Originality of materials
- Quality of learning objectives
- Level of content and method of diverse teaching styles
- Quality of takeaway tools offered to all conference registrants
- Appeal to a diverse and broad spectrum of attendees

Please note that you will **NOT** receive a copy of your submission.

Submit your proposal to: www.scieca.org
Proposals will not be considered after March 4, 2011

Include the following information:

- Course Title
- Instructor Information (Name, email, phone number)
- 3 Learning Objectives
- Basic Course content or outline, conclusions, and support material: (not over 400 words)
- Brief personal biography

Presentations should not exceed 50 minutes (including time for introductions and evaluations). If your presentation exceeds one hour, please note this time on your proposal.

This is a green conference, so lengthy handouts are discouraged. Presenters are encouraged to provide electronic copies of their presentation materials in advance so that these materials can be posted on the conference website and downloaded by those registering for the conference.
